MEETING TO BE HELD FOR PUBLIC OF MATTAPOISETT ON VOCATIONAL SCHOOL

The Upper Cape Cod Regional Vocational Technical School has become the subject of some concern since cost estimates were revised from $1,400,808.00 to $3,741,700.00. In last Wednesday night's meeting of the Upper Cape Cod Regional Vocational-Technical School District Committee, Mattapoisett Selectman David N. Haley informed the committee that he had been requested to place an article in the town warrant to withdraw Mattapoisett from the district. Mr. Haley said that many of the town's voters indicated to him that it would be only fair to place the matter under reconsideration in view of the new estimates.

The school is scheduled to open in the Fall of 1968. It is to be built on Sandwich Road in Bourne on a 72-acre tract overlooking the Cape Cod Canal. It is planned to have five academic classrooms, a remedial room, a physics and chemistry laboratory, 10 shops and related classrooms, 5 rooms for cosmetology, practical nursing, medical assistant and manpower retraining. Also, a library, gymnasium, health room, pupil activity room, cafeteria and administrative offices.

On each succeeding year capital cost will drop while operating cost will rise.

The school is now planned for 440 full time students plus 100 Post Graduate students. Of this total 100 would be female - 40 in cosmetology, 20 medical assistant and 40 in practical nursing courses. Mattapoisett's maximum allotment would be 41 pupils.

An open meeting will be held on January 25, at 7:30 P.M. at the auditorium at the Old Rochester Regional High School for the benefit of all the townspeople who would like to learn more about the school. Present will be members of the District Committee, Director, Mr. Weaver, representatives from the Department of Vocational Education and School Building Assistance Committee.

Dr. Greenberg, of the committee, has asked that the regular Mattapoisett town meeting accept the bond issue and then withdraw at a later date if they so vote. He said that this would allow the school to get under way with no further delay. Should Mattapoisett withdraw, the other 5 towns would have to agree to accept Mattapoisett's share of the costs which would delay progress on the school.

Mattapoisett, if it withdraws, would be liable for its share of expenses incurred up to the date of withdrawal.

CAMELOT TO BE PRESENTED

Zavan A. Mazmanian, supervisor of music at Old Rochester Regional High School, has announced plans for the fifth musical production in the six-year history of the school. From the pens of Alan Jay Lerner and Frederick Loewe, "Camelot" is the choice for area audiences to view on February 23, 24 and 25 in the Gilbert D. Bristol auditorium.

"Camelot" is one of the popular Broadway musicals of the early 1960's that has not been produced by community or scholastic groups in this locality. This show depicting the medieval era of King Arthur and the Knights of the Round Table was chosen as a contrast in style, costume and historical setting to those offered previously. The show is currently being filmed but the Old Rochester version will have the earlier premiere.

Mr. Mazmanian draws on a musical background of broad education and performing experience to act as stage and musical director.

Mrs. John L. MacNeil, chairman of the art committee, explained the very interesting and beautiful display of antique dolls which Mrs. J. Newton Barrows had brought from her large collection. Mrs. Barrows explained that as a teacher she became interested in this hobby - and had made authentic clothes for all those on display. One doll was replica of Cecil Clark Davis as a child which contained Mrs. Davis' own hair.

Mrs. Howard Patterson explained her new bulletin board on Conservation on the clubhouse wall - which she will change from time to time to keep up to date. She advised members that both male and female cardinal birds are in Marion now.

A letter of thanks from the Brockton Veterans' Hospital for the donation of $100. was read - stating that it would help replenish the almost depleted fund for indigent veterans at the Canteen. Letters of thanks for donations to Radio Free Europe and Radio of Free Asia were also read, and two notes of thanks from men in Vietnam were shown to the members - from Lt. Brad-

FAMILY NIGHT AT CHURCH

On Sunday, January 22nd, at the Congregational Church in Mattapoisett at 5:00 P.M. there will be a chance to view, discuss and review a provocative film that probes into the meaning of Christianity - PARABLE.

Some said it should not have been shown at the World's Fair. Others proclaimed it wonderful. What is your opinion? Here is your opportunity to find out what they were talking about.

The film will be shown first followed by a discussion during which a light Sunday night Supper will be served. The program will conclude with a review of the film. You will be home early.

Who should come? Mothers, Fathers, Grandmothers, deacons, members of women's and men's groups, Couples Club, choir members, church school staff -- anyone interested in their own Christian education. Also welcome will be young people, single people and you. For the small children there will be baby sitters.

Don't miss this Family Night. You will talk about it long after it's over.

HISTORICAL SOCIETY IN ROCHESTER

PARENTS OF SON

Mr. and Mrs. Terry W. Mulford of Woburn, Massachusetts announce the birth of their first child, a son, David Harriman Mulford, on January 4th, at Winchester Hospital. Mrs. Mulford is the former Joyce E. Harriman, daughter of Mr. and Mrs. N. Franklin Harriman, Jr. of Main Street, Mattapoisett. The paternal grandparents are Mr. and Mrs. Robert M. Mulford of Winchester, Massachusetts.

VISITS FRIENDS IN ADIRONDACKS

Miss Lydia LeBaron Walker has returned to her home on North Street, Mattapoisett after a visit to Mr. and Mrs. George Bowditch, Blue Mountain Lake in the Adirondacks, former residents of Mattapoisett.

Mr. Bowditch is curator of the Adirondack Museum of which Miss Walker had an out-of-season tour, enjoying the hospitality of the Harold Hockschilds, owners of the museum.

Miss Walker said the museum is similar to the Old Sturbridge Village with its quaint inn and early railroad station. It was unique, she said, in its historic collection of lake and river craft and its spectacular presentation of the logging industry.

She also had a peek at the Currier and Ives exhibition being prepared for the art gallery next summer.
